

UnitedHealthcare

Pharmacy Management Program Plan 023

UnitedHealthcare's pharmacy management program provides clinical pharmacy services that promote choice, accessibility and value. The program offers a broad network of pharmacies (more than 56,000 nationwide) to provide convenient access to medications.

While most pharmacies participate in our network, you should check first. Call your pharmacist or visit our online pharmacy service at www.myuhc.com. The online service offers you home delivery of prescriptions, ability to view personal benefit coverage, access health and well being information, and even location of network retail neighborhood pharmacies by zip code.

Copayment per Prescription Order or Refill

Your Copayment is determined by the tier to which the Prescription Drug List Management Committee has assigned the Prescription Drug Product. All Prescription Drug Products on the Prescription Drug List are assigned to Tier 1, Tier 2 or Tier 3. Please access www.myuhc.com through the Internet, or call the Customer Service number on your ID card to determine tier status.

For a single Copayment, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits. You are responsible for paying the lower of the applicable Copayment or the retail Network Pharmacy's Usual and Customary Charge, or the lower of the applicable Copayment or the Home Delivery Pharmacy's Prescription Drug Cost.

Also note that some Prescription Drug Products require that you notify us in advance to determine whether the Prescription Drug Product meets the definition of a Covered Health Service and is not Experimental, Investigational or Unproven.

*If the network pharmacy agrees to provide the same services or products for the same terms as the Home Delivery Network Pharmacy, you may obtain up to a consecutive 90-day supply of a Prescription Drug Product.

	Retail Network Pharmacy * For up to a 31 day supply	Home Delivery Network Pharmacy For up to a 90 day supply	Retail Non-Network Pharmacy For up to a 31 day supply
Tier 1	\$10	\$25	\$10
Tier 2	\$30	\$75	\$30
Tier 3	\$50	\$125	\$50

UnitedHealthcare Choice Plus *Plan M31*

Choice Plus plan gives you the freedom to see any Physician or other health care professional from our Network, including specialists, without a referral. With this plan, you will receive the highest level of benefits when you seek care from a network physician, facility or other health care professional. In addition, you do not have to worry about any claim forms or bills.

You also may choose to seek care outside the Network, without a referral. However, you should know that care received from a non-network physician, facility or other health care professional means a higher deductible and Copayment. In addition, if you choose to seek care outside the Network, UnitedHealthcare only pays a portion of those charges and it is your responsibility to pay the remainder. This amount you are required to pay, which could be significant, does not apply to the Out-of-Pocket Maximum. We recommend that you ask the non-network physician or health care professional about their billed charges *before you receive care*.

Some of the Important Benefits of Your Plan:

You have access to a Network of physicians, facilities and other health care professionals, including specialists, without designating a Primary Physician or obtaining a referral.

Benefits are available for office visits and hospital care, as well as inpatient and outpatient surgery.

Care CoordinationSM services are available to help identify and prevent delays in care for those who might need specialized help.

Emergencies are covered anywhere in the world.

Pap smears are covered.

Prenatal care is covered.

Routine check-ups are covered.

Childhood immunizations are covered.

Mammograms are covered.

Vision and hearing screenings are covered.
